INTER-OFFICE CORRESPONDENCE

To: Mr. R. W. Murray

From: Bradley B. Brooks

Subject: Signature Authority for FTR

Date: February 16, 1982

C.C.: Messrs. W. Thoma
A. G. Buzzi
H. Gaisch

I spoke today with Helmut Gaisch regarding his Memorandum (copy attached) of February 11, 1982.

Helmut simply wants to make sure that if there are changes to the list of FTR signatories as a result of the recent reorganization here, his name as well as the names of Dr. Bourlas and Messrs. Boder and Friedrich (the latter all Vice Directors of FTR) remain as signatories of FTR which, as a matter of Swiss practice, they should.

I agree with this. Helmut's Research and Development Group report to the EEC Region while, entity-wise, this group is a part of the other region.

I am copying Walter Thoma on this Memorandum for his information. If you agree with Helmut and me, would you please notify Walter accordingly.
